Medical vocabulary review-basic

Put these words into the correct groups:

ache	bandage	bruise	disease	fever	fracture	graze
infection	injection	medicine	nurse	operation	pain	patient
plaster	porter	prescription	specialist	sprain	stitches	
surgeon	tablets	temperature	thermometer	wound		

a) people	b) injuries and illnesses	c) treatments

Use the words above to say what is happening in each of the pictures. Then write/talk about the treatment you received when you last had a minor illness or injury.
How long did it take you to get better?

Writing – informal letter
(see also booklet 1)

You have received a letter from an Irish penfriend, Linda. Read this part of the letter and then write your letter to Linda.

I'm really looking forward to spending my summer holidays in your country - and to seeing you! As you know, I always try to keep quite fit. So, can you give me some tips on the sports I could do in your town while I'm there? Write back soon.
Linda

Write your letter in 140-190 words.

****

Useful language: expressing PURPOSE

Choose the correct option in these sentences. Sometimes both may be possible.

1. I joined the sports club so that / to make new friends.
2. We've changed the rules in order that / so as to more goals are scored.
3. Jeff took off his sock in order to / so that the doctor could see his ankle.
4. In order to / In order that avoid injury, start with gentle exercise.
5. I left early so as to / so that avoid the traffic.
